LIMIDA

LAPTOP BAG MAX 16"

PRODUCT FEATURES:

- Softly padded laptop bag with two compartments for secure storage and transportation of your laptop.
- Additional edge protection in the main compartment reinforces the sides and safeguards the parts of the laptop most vulnerable to damage.
- Shock-absorbing foam effectively absorbs shocks, enhancing protection for your laptop during travel and daily commutes.
- The tailored compartment profile stabilizes the laptop and helps minimize shifting during transport.
- The front compartment features two practical pockets, helping you stay organized and providing quick access to documents, a charger, or a smartphone.
- The water-resistant outer fabric protects your equipment from moisture and adverse weather conditions.
- A detachable shoulder strap and reinforced carry handle offer exceptional comfort and flexibility for different carrying preferences.
- The practical trolley strap system allows the bag to be securely attached to a suitcase, providing greater freedom and convenience during business trips and travel.
