

NATEC BOXER 17,3"

LAPTOP BAG

PRODUCT FEATURES:

- Designed to carry laptops with a maximum diagonal of 17,3".
- Equipped with Anti-Shock System™- rigid frame with shock-absorbing properties.
- The main compartment padded with Air Cell System™- additional cellular foam that absorbs any possible impacts and X-Holding System™ – elastic braces protecting the laptop against shocks.
- Made of abrasion-resistant 1680D nylon resistant to unfavorable weather conditions.
- Three compartments: the main one for a laptop, the front one with numerous pockets and organisers, the back one for documents.
- In the main compartment three Velcro fastened pockets perfect for a power supply, mouse or other peripherals.
- At the front and back additional zipped pockets for handy items.
- Trolley system for easy carriage during travel.
- Soft and comfortable handle.
- Adjustable, removable soft-padded shoulder strap.
- Strong metal strap hook.
- Zippers in the main compartment enable to attach the security lock.
