TERN 2 PLUS

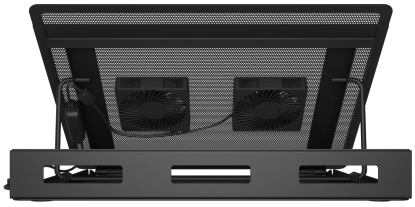

COOLING PAD

PRODUCT FEATURES:

- Cooling stand dedicated for laptops up to 17,3" with foldable and durable metal construction.
- Two magnetically attached fans can be placed where your equipment draws air to ensure a constant flow of cool air and optimal airflow through the case.
- Adjustable fan speed.
- Metal panel on the front with optimal size of holes ensures effective air circulation.
- Eight-step tilt angle adjustment allows you to place the stand in the best ergonomic position.
- The stand is powered by a USB-A port using the included cable.
- Magnetic cable organizers are included, as well as an elastic band that secures the stand from opening while carrying it.
- Grommets on the back to organize cables.
- Features rubber protection to prevent slippage and mechanical damage.
