STINGRAY 2

WIRELESS SET OF KEYBOARD AND MOUSE

PRODUCT FEATURES:

- Dual 2.4 GHz and BT 5.0 wireless connectivity gives you complete freedom to work without tangled cables.
- The built-in rechargeable battery eliminates the need to replace batteries, saving you money and providing a more environmentally friendly solution.
- Quiet keys and buttons ensure comfortable use without distracting family members or colleagues.
- Support for up to three devices simultaneously allows you to switch between them quickly with a single click.
- The full-size key layout allows you to work faster and more comfortably without having to change your habits.
- The low-profile keyboard design and ergonomically contoured mouse shape ensure comfort throughout the day.
- Multimedia keys offer quick access to function shortcuts and streamline everyday use.
- The precise Blue Sense optical sensor guarantees smooth and accurate operation on any surface, including glass.
- The Tilt Scroll feature allows for convenient horizontal navigation through wide documents and spreadsheets.
- The low battery indicator alerts you when it's time to recharge before the device runs out of power.
