HAWK 2 WIRELESS

LASER MOUSE

PRODUCT FEATURES:

- 2.4 GHz wireless connectivity ensures freedom of movement and a tidy desk without tangled cables.
- A precise laser sensor provides smooth and reliable operation on all surfaces, including matt glass.
- The ergonomic shape fits your hand, reducing fatigue and increasing comfort even during long hours of work.
- Durable buttons, designed for millions of clicks, guarantee long-term reliability and consistent performance.
- Four DPI levels allow you to quickly change the cursor sensitivity and easily adjust it to your individual needs.
- Teflon glides ensure smooth mouse movement on any surface, increasing precision and reducing wrist fatigue.
- The active tasks button in Windows allows for quick switching between open applications, increasing productivity.
