STILT

LAPTOP STAND

PRODUCT FEATURES:

- Laptop stand for devices up to 16” is designed to improve workplace ergonomics by positioning the device at an optimal height and viewing angle.
- The 360° rotating construction allows flexible positioning, making collaboration and content presentation easier.
- The stable metal construction ensures high durability and safe use.
- The foldable design supports easy transport and storage, making it suitable for mobile work and limited office spaces.
- Anti-slip pads protect the device surface and prevent unwanted movement during use.
- The efficient airflow structure supports device cooling, helping to maintain stable performance during operation.
