TANG

LOW-PROFILE WIRELESS KEYBOARD

PRODUCT FEATURES:

- Dual 2.4 GHz and BT 5.1 wireless connectivity gives you complete freedom to work without tangled cables.
- Ultra silent operation of keys ensure comfortable use without distracting family members or colleagues.
- Support for up to three devices simultaneously allows you to switch between them quickly with a single click.
- The full-size key layout allows you to work faster and more comfortably without having to change your habits.
- The low-profile keyboard design and ergonomically contoured keys shape ensure comfort throughout the day.
- Multimedia keys offer quick access to function shortcuts and streamline everyday use.
- The low-battery indicator alerts you in advance when it's time to replace the battery, helping you avoid unexpected interruptions in your work.
