

SQUID

WIRELESS SET OF KEYBOARD AND MOUSE

PRODUCT FEATURES:

- 2.4 GHz wireless connectivity ensures freedom of movement and a tidy desk without tangled cables.
- The full-size key layout allows you to work faster and more comfortably without having to change your habits.
- The low-profile keyboard design and ergonomically contoured mouse shape ensure comfort throughout the day.
- Multimedia keys offer quick access to function shortcuts and streamline everyday use.
- The spill-resistant construction protects the keyboard from accidental spills
- A precise optical sensor of mouse provides smooth and reliable operation.
- Durable buttons, designed for millions of clicks, guarantee long-term reliability and consistent performance.
- Four DPI levels allow you to quickly change the cursor sensitivity and easily adjust it to your individual needs.
