

BHARAL

LAPTOP BACKPACK

FEATURES:

- Durable and compact backpack made of sturdy textile with the stylish modern look
- The laptop compartment dedicated for 14.1" devices is covered with a soft lining and padding to protect the interior from shocks and damage
- The main compartment contains two pockets for laptops: with Velcro fastening protecting the device from unnecessary movements the larger one with dimensions 360 x 270 mm can store a laptop and a smaller one 335 x 270 mm fits perfectly for a tablet or ultrabook
- The backpack can be compressed with help of two side zippers: unzipped the main compartment gains additional space for books, magazines or personal belongings; while zipped keeps the backpack thin and slim
- A front pocket is equipped with a hidden zipper that makes it perfect for more precious items that are kept there safe against theft
- Top-lid that buckles down over the front of the backpack has one roomy pocket for handy items
- Breathable padding on the back and on shoulder straps give additional comfort during long travel
- Comfortable strong top handle
